PRIORITIZING YOUR ISSUES

Write your thoughts here: 

PASSION

What are your “voting issues”?
“If a candidate didn’t support X, I would not be able to support them.”

What causes or issues do you spend your time talking about or working to change?

EXPERIENCE OR EXPERTISE

What issues have impacted you personally?

In what areas do you have relevant expertise or personal insights?

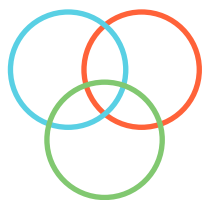

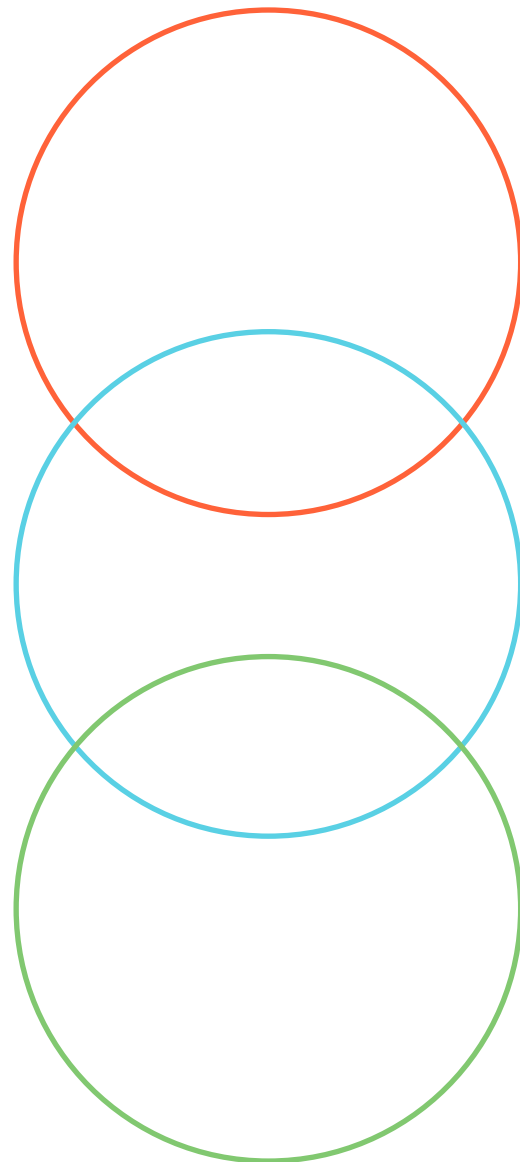

URGENCY

Which of these issues are:

- Time sensitive
- Being currently debated/threatened
- Not being talked about

Can this issue be addressed at the local level in some way?

WHERE DO YOUR ANSWERS INTERSECT?

Take a moment to reframe your issue (or issues) into a positive opportunity for change, by creating a “How Might We” question. Example: “Poor transportation options in low-income communities” becomes “How might we improve public transportation to connect low-income communities to job centers.”

HOW MIGHT WE...
