Educational Success **Request for Proposals**

Greater Cincinnati Foundation (GCF) invites your organization to partner with us to drive equitable change in our community. Change is sparked when people come together — in partnership, collaboration, and generosity. Our role is to align the right players. Then, coordinate their efforts and contributions in a way that creates the most impact.

GCF invests in the expertise of trusted partners to build a more equitable region. One of the many ways we support our partners is by offering competitive grants that align with our donors' interest areas. Funding in these areas is made available through our Request for Proposal (RFP) process.

This year GCF plans to distribute \$2 million across our RFPs. For the 2023 Educational Success cycle, GCF has approximately \$500,000 available and grants will be awarded up to the \$30,000 level. Grantees awarded through this cycle will be eligible to renew their grant award based on their first year follow up report. To be considered for funding, letters of intent (LOI) must be submitted by **Friday, February 3, 2023 at 5:00 p.m.**

Funding Focus

We live in a region with sizable disparities by race and economic status, with educational access and attainment further magnifying these gaps. Proposals should explicitly address the following purposes:

To support in and/or out of school educational efforts that address disparities in educational and career attainment for students of color and/or those of low socioeconomic status; or that increase social-emotional learning and health for those students.

Use of Funds

Funding may be used to support, expand or strengthen existing programs, capital improvements, launch a new program, build organizational capacity or general operating support. Collaboration between like organizations is highly favored. Funding will not be awarded for campaigns or special events. For more specifics of what funding may be used for, please review our [Grant FAQs](#).

Criteria

- Applicants must be classified as tax-exempt by the IRS, typically 501(c)(3) status or government agency. If your organization is not a 501(c)(3), you may utilize a fiscal agent, however the fiscal agent must be identified in the application.
- Grants will be made to organizations with efforts based in the Greater Cincinnati region which includes the counties of: Hamilton, Butler, Warren, and Clermont in Ohio; Boone, Kenton and Campbell in Kentucky and Dearborn in Indiana.
- Preference will be given to:
 - Organizations that develop solutions with a racial equity lens
 - Proposals with clear and measurable outcomes that address:
 - anticipated improvement of educational achievement and/or career outcomes
 - key factors influencing educational outcomes (e.g. attendance, discipline reduction, classroom management, etc.).
 - Organizations that have demonstrated partnerships, collaboration and/or alignment with community-wide efforts
 - Organizations that have demonstrated insights from their past results
 - Organizations using an asset-based approach to the work

Proposals will be accepted from any organization that meets these criteria and aligns strongly with the details of this RFP.
